Description :

PDF-a0650 | There is no such thunder in history -- nor ever will be again -- as the deep-throated roar of the mighty, four-engined B-17s that streamed across the skies in World War II. The long runways are silent now, the men and planes are gone. But out of the massive files of records available, and the memories of the men who flew, Martin Caidin has assembled this dramatic portrait of America's most formida... *The B-17 - The Flying Forts*
