Description :

PDF-52313 | The 700 islands, cays and islets of the Bahamas are scattered across over 96,000 square miles of the Atlantic Ocean. Only 23 of the islands are inhabited, and amongst these, visitors will find an intriguing blend of the old and new, the expected and unexpected. The character of each island is different: there is San Salvador, with its turquoise waters that are perfect for diving, Inagua with its u... *Bahamas Sketchbook*
