Description :

PDF-42b67 | There is no country in the world that matches Ethiopia in the number of forms and types of its crosses. Ever since Ethiopia's conversion to Christianity, the cross has appeared almost universally, not only as a liturgical instrument in churches and monasteries, but also in common devotion and in daily life. This volume examines a multiplicity of crosses, highlighting a plurality of types as well a... *Crosses of Ethiopia: The Sign of Faith. Evolution and Form*
