Description :

PDF-ed277 | Staking out new territory in the history of art, this book presents a compelling argument for a lost link between the panel-painting tradition of Greek antiquity and Christian paintings of Byzantium and the Renaissance. While art historians place the origin of icons in the seventh century, Thomas F. Mathews finds strong evidence as early as the second century in the texts of Irenaeus and the Acts ... *The Dawn of Christian Art in Panel Paintings and Icons*
