Description :

PDF-c0133 | Originally I wanted to call this book "The Day Book, Birthday Book, Diary, Journal, Calendar, Organization Book from the Heart of the Home!" A good descriptive name but maybe a little long. I decided Days would say it all. For years I have kept a little book where I jot down the day's happenings, my memories & now these books are just about the story of my life.... *Days from the Heart of the Home*
