Description :

PDF-7ba49 | The prime doctrine of alchemy was that what was above mirrored what was below. From this it follows that manipulating what was below could exert a profound influence upon the realm above. Alchemy was a dual process in which physical and chemical or metallurgical changes had a parallel spiritual aspect, both personal and cosmic, so that the transformations occurred also within the retort of the body... *The Effluents of Deity: Alchemy and Psychoactive Sacraments in Medieval and Renaissance Art*
