Description :

PDF-504d9 | Stimulating exercises to help beginner to advanced students push the boundaries of traditional drawing. As with most art forms, it's best to comprehend traditional drawing techniques before you break the rules. But once you've mastered the basics, you may find that you gravitate to more abstract ways of rendering everything from still lifes to figures. However, this book is not only about avant-gar... *Experimental Drawing, 30th Anniversary Edition: Creative Exercises Illustrated by Old and New Masters*
