Description :

PDF-5bf92 | This gorgeously produced monograph focuses on the period during which Giorgio Morandi (1890–1964) developed and refined his investigations of serial, reductive and permutational forms and compositions, a body of work that has had a profound influence on 20th-century contemporary art and painting. Included here are four of the ten iconic “yellow cloth paintings,” a series featured prominently... *Giorgio Morandi: Late Paintings*
