ISBN : #0976715406 | Date : 2005-09-15

Description :

PDF-29a8a | This book presents a very wide reaching consideration of the origin of universal art from deep space to the details of snowflakes, seascapes, and the land we inhabit. Using artistic and often unusual photographs of the natural environment, the book presents a detailed narrative of a case for the divine nature of art that is both thought provoking and poetic. This volume is the first in what will b... *God's Art*
