Description :

PDF-1c401 | A heart stone is one of nature's gifts. Heart stones are not rare or precious in the typical sense--a good scour of a beach with any stones at all will usually turn up one or two heart-shaped stones. But heart stones, lifted from their obscurity, with all of their cracks and blemishes, lopsided and imperfect, are simply the best find on any beach. Beachcombers collect them, keep them as talismans,... *Heart Stones*
