Description :

PDF-e35e2 | Learn to see and mix any color with extraordinary precision! Many painters don't paint what they see, but what they expect to see, what they think they see, what they remember, or what they imagine things are supposed to look like. Since "the mind stands in the way of the eye," the purpose of this revolutionary book is to train you to paint what your eye actually sees. Arthur Stern claims that col... *How to See Color and Paint It*
