Description :

PDF-f54a3 | Electrical lines that turn into the strings of a massive guitar in the sky. A man dragging a bed sheet, which turns into a road, across an empty field. A charming cottage on an island that is actually the back of a giant fish. Digital photography artist Erik Johansson has achieved international fame by taking and then combining photos into surreal, M.C. Escher-like worlds. This is his first book... *Imagine*
