ISBN : #0823025454 | Date : 1989-09-01

Description :

PDF-63963 | Based on the idea that intuition is the overriding principle behind good design in painting, this volume covers all elements of composition and considers them both from a personal and a technical/practical point of view. Beginning with a section on perception, the authors emphasize how the artist can learn to be open to the painting experience, both consciously and unconsciously. They then discuss... *Intuitive Composition: A Right-Brain Approach to Achieving Simplicity, Harmony, and Balance in Your Paintings*
