Description :

PDF-71186 | America started a grand experiment in the 1960s: deinstitutionalization of the mentally ill. The consequences were very destructive: homelessness; a degradation of urban life; increases in violent crime rates; increasing death rates for the mentally ill. My Brother Ron tells the story of deinstitutionalization from two points of view: what happened to the author's older brother, part of the first ... *My Brother Ron: A Personal and Social History of the Deinstitutionalization of the Mentally Ill*
