Description :

PDF-1aec1 | A monumental book on the female figure by the father of modern artistic anatomy, Dr. Paul Richer. Available for the first time in English translation. This book is the first of its kind to offer a comprehensive description of the female form. Here, Richer accurately analyzes proportions of men and women. He discusses ways in which male and female bodies are similar, and then highlights ways in which... *New Artistic Anatomy: Female Morphology*
