by Leon Battista Alberti : **On Painting (Penguin Classics)**

ISBN : #0140433317 | Date : 1991-07-02

Description :

PDF-13409 | Artist, architect, poet and philosopher, Leon Battista Alberti revolutionized the history of art with his theories of perspective in *On Painting* (1435). Inspired by the order and beauty inherent in nature, his groundbreaking work sets out the principles of distance, dimension and proportion; instructs the painter on how to use the rules of composition, representation, light and colour to create wo... *On Painting (Penguin Classics)*
