Description :

PDF-9320a | Representing Belief provides a detailed discussion and analysis of the forms and meanings in religious art of nineteenth-century France. This genre, usually assigned minimal importance by writers on the period, turns out to occupy a central place in the cultural history of the era, touching the core of the century's conflict between tradition and modernity, science and faith, ultramontanism and na... *Representing Belief: Religion, Art, and Society in Nineteenth Century France*
