Description :

PDF-cb520 | In conjunction with Tufts University's Silk Lab's cutting-edge research on liquified silk, Jen Bervin wrote a poem composed in a six-character chain that corresponds to the DNA structure of silk; modeled on the way a silkworm applies filament to its cocoon. This poem, written from the perspective of the silkworm, explores the cultural, scientific, and linguistic complexities of silk written in... *Silk Poems*
