Description :

PDF-19fbc | Space... the final art frontier... What is it like to walk through an alien world? Artists have been imagining otherworldly landscapes for hundreds of years—but only in the past few decades have we started to see what other planets and moons really look like. These exciting scientific discoveries have led to ever more "realistic" space art. Space Art shows artists how to capture and create these... *Space Art: How to Draw and Paint Planets, Moons, and Landscapes of Alien Worlds*
