Description :

PDF-17960 | The finest examples of this distinctive Islamic art form ever published. Within three centuries of its advent, Islam had produced an architecture and a calligraphic art, including that of illumination, that have seldom been equaled and never surpassed, the one centered on the Mosque and the other on the Qur'an. But whereas Islamic architecture is world famous, its calligraphic art has remained rel... *Splendors of Qur'an Calligraphy and Illumination*
