Description :

PDF-493d4 | A remarkable vision of the Golden State - now in paperback! Vernal pools, protected lagoons, grassy hills rich in bunchgrasses and, where the San Francisco Bay is today, ancient bison and mammoths roaming a vast grassland. Through the use of historical ecology, Laura Cunningham walks through these forgotten landscapes to uncover secrets about the past, explore what our future will hold, and experi... *A State of Change: Forgotten Landscapes of California*
