Description :

PDF-34dba | Throughout the course of Byzantine history, Christian doctrine taught that angels have a powerful place in cosmology. It also taught that angels were immaterial, bodiless, invisible beings. But if that were the case, how could they be visualized and depicted in icons and other works of art? This book describes the strategies used by Byzantine artists to represent the incorporeal forms of angels an... *Subtle Bodies: Representing Angels in Byzantium (The Transformation of the Classical Heritage)*
