Description :

PDF-3ea52 | A complete beginner's guide to training in medieval Italian longsword. This book covers everything from choosing a sword, to warming up, to fencing. Full of set drills and clear descriptions, this book has been the standard work on the subject since it first came out in 2004. As a technical manual it has been largely superseded by *The Medieval Longsword*, which came out in 2014, but it is unsurpas... *The Swordsman's Companion*
