Description :

PDF-9d304 | All watercolor artists yearn for clean, luminous color in their work, but their hopes are often dashed when they experience the frustration of muddy color. Imagine nearing the end of a painting that's been coming along beautifully and suddenly finding that the last wash you put down turned out murky, ruining everything. How could you have known that would happen? Jim Kosvanec provides the solution... *Transparent Watercolor Wheel: A Logical and Easy-to-use System for Taking the Guesswork out of Mixing Colours*
