Description :

PDF-a28d3 | Having developed a passion for fishing as a boy, James Prosek searched in vain for a book that catalogued the trout he had come to treasure. Then he began painting them himself, inspired by John James Audubon's classic bird portraits. This is the dazzlingly beautiful result, with more than seventy original watercolors by a true prodigy--only twenty years old and already considered "a fair bid to b... *Trout: An Illustrated History*
