Description :

PDF-f16be | Whether in painting, poetry, performance, music, dance, or life, there is an intelligence working in every situation. This force is the primary carrier of creation. If we trust it and follow its natural movement, it will astound us with its ability to find a way through problems—and even make creative use of our mistakes and failures. There is a magic to this process that cannot be controlled by... *Trust the Process: An Artist's Guide to Letting Go*
