Description :

PDF-738b4 | More than 30 million Americans rely on their voices for their jobs--from teachers, religious leaders, and entertainers to lawyers, executives, salespeople, and doctors. A controlled voice increases self-confidence and enhances charisma, approachability, and trustworthiness. Yet an astounding 30 percent of professionals develop preventable vocal problems that could ruin their careers. And most do n... *The Voice Book: Caring For, Protecting, and Improving Your Voice*
