Description :

PDF-615cb | Painting with watercolors gives you endless opportunities to create the world you want. You choose whether to let the sun blaze or the rain pour, to move a maple tree here or make the trail wind over there, to subdue a hillside with quiet greens or make a forest glow with dazzling golds and reds. It's not only a matter of what to paint, but how to go about painting it. This book examines, one at a time, the techniques of landscape painting. *The Watercolorist's Essential Notebook - Landscapes*
